

WYOMING STOCK GROWERS AGRICULTURAL LAND TRUST

HEART OF THE ROCKIES GRANT AWARDED

We are pleased to announce the award of a cooperative grant to WSGALT and the Jackson Hole Land Trust from the Heart of the Rockies Initiative and the Wilburforce Foundation. The grant supports outreach work in Park, Lincoln, and Fremont counties through 2010, in order to reach landowners who are unfamiliar with the benefits of conservation easements. A series of picnics, town meetings and ranch tours are planned.

WSGALT co-hosted a June picnic along with its Star Valley Chapter and the Jackson Hole Land Trust. Local landowners learned about the work of each land trust and the mechanics of conservation easements and enjoyed a wonderful meal prepared by Suellen and Jody Bagley. Picnics are planned for Fremont and Park Counties and will include presentations on the tax benefits of conservation easements to estate planning.
